### BAR/BAT MITZVAH DATE RESERVATION FORM

We would appreciate your informing the office of your child's Bar/Bat Mitzvah date as soon as you know it. We suggest you call the office before finalizing the date to make sure none of your child's classmates already have that date scheduled. We also ask that you not schedule the festivities on Shabbat or Yom Tov. In this way we can avoid calendar conflicts and/or disappointing any of your child's classmates.

In addition to putting this date on our calendar, we would like to honor your child at a Rosh Chodesh breakfast and announce your simcha in the Bekesher, our monthly newsletter.
