

One great bag...two great causes

The Hebrew Academy of Morris County/
Jason K. Jacobs Memorial Early Childhood Scholarship Fund
proudly presents a unique opportunity for you
to make a difference.

Introducing: The Reusable ChicoBag.

A bag that lasts, time after time.

The average American uses between 300 and 700 plastic bags per year.

If everyone in the United States tied
their annual consumption of plastic bags together in a giant chain,
the chain would reach around the Earth not once, but 760 times!

This compact bag is designed to be unforgettable.
It fits in a pocket or purse or hooks on to your belt loop, back pack or key chain!
It is made of strong, durable nylon and opens easily for use while shopping!
No more plastic bags that go to waste.

Your donation will help the earth
and make a difference to a child this year...

*Partial ECC tuition will be provided to a family in need,
in hopes of brightening a child's present and future.*

The Jason K. Jacobs Memorial Early Childhood Scholarship Fund
was established by the family of Jason Jacobs, who was lost on 9/11/01.
